
It is currently the 27th of May, 2022 at 11:15 am. It's Friday and I'm at school at the moment. It is currently day #9 of my Jon Arbuckle fixation. This is marked as Entry 3.5 because it is not a true entry - I just need to announce something...

I GOT FUCKIGN GARFIELD KART FOR 82 CENTS YESTERDAY BABEEEEEYYYY!!!! LES GOOOO!!!! I CAN FINALLY LIVE OUT MY DREAM OF COMMITTING VEHICULAR MANSLAUGHTER AS JON ARBUCKLE LES GOOOOOO

Entry 4 will be written later today, in which I will detail my experiences playing the elusive kart racer game for the first time. This is fucking epic.
